Re: United States v. Lucio Celli
Criminal Docket No. 19-127 (PAE)

Dear Judge Engelmayer:

The government respectfully submits this letter on behalf of the parties in the above-referenced case. The parties have identified materials that are potentially responsive to the Court's March 18, 2021 Order requesting documents that memorialize the defendant's pre-arrest interactions with the United States Marshals Service. Because the materials constitute internal agency memoranda and correspondence, and because some of the materials include information protected under the Health Insurance Portability and Accountability Act of 1996, they are attached hereto under seal.

Respectfully submitted,

SETH D. DUCHARME
Acting United States Attorney
